The Supreme Council was called off and a Lodge of Perfection, 14°, declared open. Many brethren of the Rite who had been in waiting were then admitted to the chamber.

The Sovereign Grand Commander then delivered his Annual Address as follows:

**To the Supreme Council of the A .: & A .: Scottish Rite for  
the Dominion of Canada.**

**PEERS AND BRETHREN:**

Another year has passed into history—another milestone has been reached—and in compliance with constitutional requirements we meet today to renew the record of that period, and in the light of its experiences to take counsel together in the hope and with the purpose of greater and more efficient service in the future. With much pleasure, therefore, I welcome you to the Forty-sixth Annual Session of our Supreme Council, to its duties and deliberations, and to a renewal of those dear and valued friendships we have formed one with the other. It is painfully true that some of our number who were prominently active only a year ago have ceased from their labors here; we shall greatly miss them from our fellowship; but undoubtedly and inevitably our loss of them will but serve to bind more closely together those of us who remain.

It is always a pleasure to meet in the City of Hamilton. Ontario has always been, and for some years is likely to continue, the Province with the largest subordinate membership, and in the Scottish Rite at least, Hamilton is its Masonic Capital. Here the first Body of the Rite formed in Canada, The Moore Sovereign Consistory 32° (1st July, 1868), established its permanent headquarters, and here, with the subsequently formed Chapter of Rose Croix and Lodge of Perfection, it has since flourished in enthusiastic vigor and usefulness of service; ample evidence of the continued success and optimism of these Bodies being afforded by their recent acquisition of an imposing private residence to be used exclusively for their purposes. I extend to the Hamilton brethren the hearty congratulations of Supreme Council upon their latest achievement.

**NECROLOGY.**

Since our last Annual Session, two of our Active Members, both of whom had given years of service as officers of Supreme Council, and three Honorary Members, have been called to their eternal rest.

Ill ∴ Bro ∴ WILTON CLEMENT EDDIS 33°, of Toronto, Ontario, died on 1st November, 1919, only a few days after our last Annual Session. One of the leaders in his profession, that of a Chartered Accountant, he was held in high esteem by all who knew him, as being one firmly upright and honorable in character and earnest in doing that which it was right for him to do. After useful service in the Lodge and Chapter at Toronto, he was received into Supreme Council as an Honorary Inspector-General 33°, in 1913.

Ill ∴ Bro ∴ WILLIAM PIGGOT RYRIE 33°, of Toronto, Ontario, died suddenly on the 11th November, 1919. Of pleasing personality, his circle of friends was large, while his successful business career enabled him to give practical expression, but without ostentation, to his distinguishing charitable disposition. He was received into Supreme Council as an Honorary Inspector-General 33°, in 1909, and although elected to Active Membership as a S ∴ G ∴ I ∴ G ∴ at our last Annual Session, was not actually crowned as such because the state of his health prevented him from being present. No reference to his career would be complete without mention of his long connection with the Order of the Temple, culminating in his election and service in 1911 and 1912 as Supreme Grand Master of the Sovereign Great Priory of Canada.

Ill ∴ Bro ∴ RALPH NATHAN BLACK JOHNSTON 33°, of -Barrie, Ontario, died in his thirty-seventh year, after less than a week's illness, on 27th November, 1919. His first and only appearance in Supreme Council was at our last Annual Session, when he was received as an Honorary Inspector-General 33°; his robust and vigorous appearance at that time, as well as the suddenness of his death demonstrating anew the uncertainty of our tenure of life, even for the youngest among us. Although young, he was looked upon as a tower of strength in Masonic circles in the Valley of Barrie, and great disappointment is naturally felt at the early closing of so promising a career.

Ill ∴ Bro ∴ DANIEL FRASER MACWATT 33°, of Sarnia, Ontario, the Puissant Lieutenant-Grand Commander of this

Supreme Council, died after a very short illness, of pneumonia, following upon influenza, on 12th February, 1920. Born in Nairn, Scotland, he came to Canada in 1873, studied law and after 18 years at the Bar was appointed County Judge of Lambton in 1899, which office he held till his death. He was an indefatigable and tireless worker in every sphere in which he was placed. He devoted much time and energy to Masonry, attaining the highest office in several of its branches, including Craft Masonry, Royal Arch Masonry, the Cryptic Rite, and the Order of the Temple. He was admitted to Supreme Council as an Honorary Inspector-General 33° in 1894, and was crowned a S ∴ G ∴ I ∴ G ∴ and Active Member in 1896. He held various offices in Supreme Council including that of Lieutenant-Grand Commander, to which he was elected at our last Annual Session.

Most Puissant Brother BENJAMIN ALLEN 33°, of Toronto, Ontario, our Immediate Past Sovereign Grand Commander, died on 10th April, 1920. He had been in indifferent health for a considerable period and had hoped that relief from the duties of Sovereign Grand Commander might prove a factor in the restoration of his strength and energies, but, unfortunately, such was not the case. It is sometimes difficult, immediately after the passing away of a friend, to set down accurately and with justice an estimate of his personal qualities. In the Circular announcing his death to the members of our obedience, it was said of M ∴ P ∴ Bro ∴ Allen: "Those who knew him  
"best testify to his strong individuality—his resolute deter-  
"mination to carry out any plan or programme which to his  
"mind was undoubtedly the right course to pursue—and the  
"personal vigor he always displayed in having any task set  
"before him fully and completely discharged. But, while  
"possessing these strong characteristics, his amiability of dis-  
"position, kindness of heart, and other pleasing qualities, with  
"his fine manly physique and bearing, made him a conspicu-  
"ously popular man in the community and ensured for him a  
"lasting and enviable place in the memories of his brethren." Further reflection does not suggest that estimate to be inaccurate; and these qualities, together with his long connection

with and regular attendance at Supreme Council and his faithful discharge of the offices to which he was elected, make his removal from our midst a notable event of the year.

He was admitted to Supreme Council as an Honorary Inspector-General 33° in 1894 and crowned a S ∴ G ∴ I ∴ G ∴ and Active Member in 1896, and after service in other offices, was M ∴ P ∴ Sovereign Grand Commander from October, 1913 to October, 1919. He was a Grand Master in Craft Masonry in 1904 and held offices at various times in other branches of the Order. He rendered most valuable services, during a long term of years and until the time of his death to the several subordinate Bodies with which he was connected in the City of Toronto; indeed, it is possible that his most important as well as most extensive and devoted services to the Order were in that sphere.

I was able to be present at his burial service on 13th April last, which was conducted by the Grand Master, M ∴ W ∴ Bro ∴ F. W. HARCOURT, assisted by the officers and members of Ashlar Lodge, Toronto. A Memorial Service was held by the local Bodies of the Rite, in their Temple, Toronto, on the 17th May last, which was attended by a large concourse of the brethren and friends, who gladly availed themselves of the opportunity to do honor to the memory of one so long prominent in their midst.

At the last meeting of Supreme Council I was requested to appoint a Committee to procure a suitable testimonial to be presented to M ∴ P ∴ Bro. Allen, in recognition of his services as Sovereign Grand Commander. I named Ill ∴ Bros ∴ SIR JOHN M. GIBSON 33°, E. T. MALONE 33°, and ALFRED F. WEBSTER 33°, as the Committee; and it is perhaps fitting here to say that their duty was performed, after consultation with M ∴ P ∴ Bro ∴ Allen, by procuring and presenting to him an Aeolian-Vocalion Piano, although, owing to his illness, the presentation was made quite informally.

You would not have me close this section of my Address without referring to the sore bereavement which our dear Past

Sovereign Grand Commander, Sir JOHN M. GIBSON 33° suffered during the year in the loss of another son. I took occasion at the time to convey to him and to Lady Gibson, however inadequately, an expression of the loving sympathy of the members of Supreme Council; and, I believe, that I faithfully interpret the feelings of every member who hears or reads these words, if I say that here in Supreme Council assembled we express anew our sincere sympathy as well as our fraternal and, for many of us, our filial affection.

## VACANCY IN OFFICE

The death of Ill ∴ Bro ∴ DANIEL FRASER MACWATT 33°, having created a vacancy in the office of Puissant Lieutenant Grand Commander, it became my duty to appoint another incumbent to hold the office until the present meeting of Supreme Council. After careful consideration and consultation with my three predecessors in office, and with their unanimous approval, I appointed Ill ∴ Bro ∴ HUGH ALEXANDER MACKAY 33°, who for his ready acceptance at my hands of an office which he might have had several years ago by election, had he been willing, is entitled to the thanks of Supreme Council. The following is a copy of the formal appointment:

“SUPREME COUNCIL 33°

“ANCIENT AND ACCEPTED SCOTTISH RITE OF  
“FREEMASONRY,

“For the Dominion of Canada.

“Office of the Sovereign Grand Commander,

“Montreal, Que., 15th March, 1920.

W. H. BALLARD, Esq., 33°,

“Ill ∴ Bro ∴ Secretary-General H ∴ E ∴

“Hamilton, Ont.

“My dear Secretary-General:

“The office of Lieutenant Grand Commander of the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, having become

“vacant by the death of our late Ill ∴ Bro ∴ DANIEL FRASER  
“MACWATT 33°, I hereby appoint our Ill ∴ Bro ∴ HUGH  
“ALEXANDER MACKAY 33°, to be Lieutenant Grand Com-  
“mander of the said Supreme Council until the next annual  
“meeting thereof.

“I will thank you to make due record of this appointment  
“and to notify Ill ∴ Bro ∴ Hugh Alexander Mackay 33° of the  
“same.

“Faithfully and fraternally yours,

(Signed) “J. ALEX. CAMERON 33°,

“Sov ∴ Gr ∴ Com ∴.”

#### SPECIAL EXPENDITURE

A special train from Toronto to Barrie and return was ordered by the widow of our late Lieutenant Grand Commander for the convenience of relatives and friends desirous of attending his funeral, and as brethren representing the local Grand Lodge and Grand Chapter and this Supreme Council availed themselves of the privilege and convenience of travelling by the same train, it was suggested that Mrs. MacWatt should not be allowed to bear the expense but that it should be borne equally by the three Grand Bodies just named. The suggestion coming to me with the recommendation of Ill ∴ Bros ∴ Sir JOHN GIBSON 33°, HUGH A. MACKAY 33°, the Secretary-General, and the Treasurer-General, had my ready approval. Our share of the expense has been paid and I ask your confirmation of my action.

#### CONDITION OF THE RITE.

In our own Jurisdiction, the period since our last Annual Session has been one of peace and harmony, and, speaking generally, of progress and prosperity. Nothing of any grave moment nor beyond ordinary routine has been brought to my attention. It is not my purpose to anticipate the reports which will be laid before you by the Illustrious Deputies for the several Provinces save to observe that, in the main, these

reveal the Rite in Canada to be on a firm, sound basis and that its upbuilding is being cautiously carried on with selected material. The total number of Initiates for the year was as follows: In Lodges of Perfection, 1,122; in Chapters of Rose Croix, 695; and in Consistories, 497.

As our population increases, there is bound to be, and it is reasonable and proper that there should be, corresponding annual increases in our membership. So long as proper care and discretion are exercised in our selections, so long as we bear in mind that we must assimilate our new members as well as receive them, and teach them as well as initiate them, no objection can be urged to large classes simply on the score that they are large. In my judgment, the danger to be avoided is any tendency to measure progress by numerical increases, to seek large classes because of the temporary interest and enthusiasm which they create or to excel the record of some other Valley; although in speaking thus, I do so in the most general terms and in a precautionary spirit, without in the least suggesting, nor have I reason to suppose, that in any Valley of the Jurisdiction the danger point just mentioned has been reached.

Notices of the meetings of practically all of the subordinate Bodies throughout the Jurisdiction are regularly sent to me, and these give every indication of that regularity and devotion on the part of officers and members alike which is essential to the success of the Institution. An interesting feature of the work of some of the Lodges of Perfection is the leaflet or pamphlet, with original and selected literary matter, which accompanies the summonses for their meetings.

Re-unions have been held in many of the Valleys, for all of which, as well as for meetings of numerous subordinate bodies, courteous invitations were extended to me; and I am genuinely sorry that considerations of distance and professional duties were such as to make it impossible for me to attend any except the Consistory Re-union in Hamilton on the 27th to 29th January last. This was a most enjoyable and successful event, and I can,

and do with pleasure certify to you that the Hamilton brethren left nothing undone which it was in their power to do, in the way of hospitality and honor to your Sovereign Grand Commander, including Honorary Life Membership in the Moore Sovereign Consistory. I was also honored with invitations to attend special functions of several Grand and subordinate bodies in other branches of Masonry, but was only able to be present at the Special Communication of the Grand Lodge of Quebec A. F. & A. M. held on 31st October-1st November last, to celebrate its Fiftieth Anniversary.

#### DISPENSATIONS

No dispensations were granted by me during the year. Several applications were made by Bodies in the Province of Ontario for Dispensations to Waive the Statutory time between degrees, but were declined, because the reasons alleged did not seem to be sufficient to warrant them. These came to me because of and during the absence from the Province of the Illustrious Deputy for Ontario; and while it is possible that with his intimate knowledge of conditions in the districts in question he might, if he had been present, have felt justified in granting the waivers, it did not seem to me, with the information at my disposal, that it was proper for me to do so. In one case in the same Province, being in the neighborhood at the time, and able to verify conditions and to consult with some of the officers of Supreme Council, I expressed a willingness to grant, in the absence of the Deputy for the Province, a dispensation for a similar purpose if the application was regularly made, but I heard nothing further of the matter.

A member in good standing, of Murton Lodge of Perfection, removed to and became "permanently located," as he put it, in Detroit, and being desirous of continuing his advancement, applied to me for a waiver of jurisdiction or a dispensation to enable him to obtain the degrees up to the 32° in Detroit. I replied that if by "permanently located" he meant that he had abandoned his Canadian domicile with no intention of resuming it, and had taken up residence in Detroit with the

intention of making his permanent home and principal establishment there, then he had become the material of the bodies of the Rite in Detroit and subject to the laws and regulations of the Rite in Michigan, which must determine the time and manner of his further advancement. I further suggested that if I had correctly interpreted the brother's expression and intention, he should put himself in communication with the proper authorities in Detroit to learn what he must do to achieve his desire for advancement, and that if the laws and regulations of the Northern Masonic Jurisdiction, U. S. A., required a longer previous residence in Michigan than he had yet had, they would possibly also prescribe how the situation must be met.

I approved a request from Nova Scotia Consistory to Dayton Consistory, of Dayton, Ohio, by which the latter was requested to confer the degrees 19° to 32° on behalf of Nova Scotia Consistory, upon E ∴ & P ∴ P ∴ ALEXANDER MACKINNON 18°, an affiliated Master Mason in good standing, and who had been elected by Nova Scotia Consistory to receive those degrees. The request has been forwarded to the Sovereign Grand Commander of the Northern Masonic Jurisdiction, U. S. A., who has kindly expressed his willingness to permit Dayton Consistory to act in the matter.

#### VALLEY OF FORT WILLIAM

The Illustrious Deputy for Ontario recently transmitted to me a petition to Supreme Council, signed by twenty brethren of the 18° and twenty-eight of the 14°, in the Valley of Fort William, praying for a dispensation permitting them to take the degrees 19° to 32° in the Consistory at Winnipeg, Province of Manitoba, instead of the Consistory at Hamilton, in their own Province, alleging in support thereof that the distance from Fort William to Winnipeg is approximately only one-third of the distance between Fort William and Hamilton, and that the saving to them of time and expense would be very great if their prayer were granted.

It seems to me that the Petitioners in the Valley of Fort William are under a misapprehension as to the procedure which

they should follow to attain their desire, and that no dispensation is required in the premises. Their proper course would be to apply for the degrees in the usual way, to the Consistory of their own Province, with a request that, if elected to receive the same, they be permitted to take them in the Consistory at Winnipeg, and that the latter be requested to confer the degrees upon the petitioners for and on behalf of the Consistory at Hamilton.

However, as I have already observed, the petition is addressed to Supreme Council and I have therefore directed the Illustrious Secretary-General to lay it before you at a convenient time during the present session.

#### BY-LAWS

I have approved alterations in the By-Laws of the following Bodies, viz.:

Superior Lodge of Perfection, Fort William, Ont.

Sault Ste. Marie Lodge of Perfection, Sault Ste. Marie, Ont.

Murton Lodge of Perfection, Hamilton, Ont.

#### AFFILIATION FORMS

Our Statutes and Regulations do not contain Forms for Affiliation of joining members in Lodge, Chapter and Consistory. Enquiries for these having been made during the year, I approved drafts prepared by Ill. Bro. HUGH A. MACKAY 33°, containing the prescribed information, and these will be submitted to you for confirmation.

#### NEW CHARTER

In pursuance with the resolution adopted at our last Annual Session, I have signed a Warrant for the Windsor Chapter Rose Croix, Windsor, Ontario.

#### RITUAL COMMITTEE

At our last Annual Session, I was requested to appoint a new Committee on the Revision of our Rituals to replace that

appointed about three years ago, and which had become inactive through the death of its Chairman, the late Ill. ∴ Bro. ∴ SYDNEY A. LUKE 33°. After much consideration, I named the following as the new Committee: viz. Illustrious Brothers A. F. WEBSTER 33° (Chairman), F. J. HOWELL 33°, L. F. RIGGS 33°, W. H. DAVIS 33°, W. C. HAGAR 33°, and K. BETHUNE 33°, with power to add. That they have been energetic during the year is evidenced by the programme of exemplifications which they have prepared to bring before you and of which you have received notice.

In the meantime, I wish to express to them the thanks of Supreme Council for having undertaken this exacting duty, and, in particular, to Ill. ∴ Bro. ∴ WEBSTER 33° for his immediate and courteous acceptance of the Chairmanship of the Committee.

#### STATUTES AND REGULATIONS

Of the new edition of the Statutes and Regulations, as revised at our last Annual Session, 5,000 copies have been printed, and 1,000 copies have been distributed. The balance, which should be sufficient to meet the demand for some time, will be distributed as applied for by the subordinate bodies.

#### HONORARY MEMBER'S JEWEL

In recent years, there has been a tendency among our Honorary Inspectors-General to wear, as the Jewel of their Degree, one which is practically the jewel of an Active Member, with the surrounding circles omitted. Much might be said in favour of the innovation, although neither its merits or demerits, if any there be, are in my mind. My purpose in drawing attention to the matter is only to remind you that the Statutes and Regulations prescribe the clothing and jewels to be worn in Supreme Council and to express the views that if Supreme Council is satisfied that Honorary Members may wear the so-called Honorary Jewel in lieu of the regalia specified in the Statutes and Regulations, the right to do so should be expressed and granted by legislation rather than by toleration.

## GRAND REPRESENTATIVES

## MEXICO

Upon the recommendation of the Supreme Council of Mexico, I appointed Ill ∴ Bro ∴ ARNOLD SHANKLIN 33°, to be our Representative near that Supreme Council.

## GREECE

After 25 consecutive years of labor, Ill ∴ Bro ∴ J. S. E. CEPHALAS 33°, of Athens, Greece, decided to retire from active Masonic work, and, in consequence, under the rule of this Supreme Council, he had to resign his office of Representative of the Supreme Council for Canada. We accepted the resignation but have not received any recommendation for the appointment of a successor.

## NETHERLANDS

We have been notified by the Supreme Council of the Netherlands that, owing to the condition of his health, the Ill ∴ Bro ∴ S. M. HUGO VAN GIJN 33°, had been obliged to resign the office of Sovereign Grand Commander, and that on the 12th June last the Supreme Council had elected the Ill ∴ Bro ∴ P. G. H. DOP 33°, to fill the vacancy.

## CONFERENCE OF SUPREME COUNCILS

At the Second International Conference of Supreme Councils, held in Washington, D.C., in 1912, it was decided that the next Conference be held in Lausanne, in 1917, under the auspices of the Supreme Council for Switzerland. This decision had to be abandoned and the proposed Conference indefinitely postponed on account of the war. The Supreme Council for Switzerland now proposes that the next Conference be held in Lausanne in the early part of 1921, probably May. If this proposal is acceptable to the Supreme Councils interested, as it most likely will be, the date of the Third International Conference is practically fixed, and it becomes imperative for this Supreme Council, at its present Session, to determine the action which it intends to take in regard thereto.

At our Annual Session in 1913 certain Resolutions adopted at the Washington Conference were ratified by this Supreme Council, on the recommendation of the Sovereign Grand Commander, Sir JOHN MORISON GIBSON 33°, including the following:

“That the Conference in continuing the work begun at  
“Brussels in 1907 relating to the unity of the signs and  
“words or secret work of the Rite, recommend to all the  
“Supreme Councils participating in this Conference, the  
“desirability of establishing such unity, and to that end,  
“further recommend that every Supreme Council shall  
“send to the Supreme Council of Switzerland, signs,  
“tokens, words, and Arcana or secret work to be by it sub-  
“mitted to the next Conference for such action as it may  
“deem proper.”

During the war it was impossible to give effect to this Resolution, and our Supreme Council has taken no relative action. Now that another Conference is likely to be held before we meet again, I ask you, in pronouncing upon the general subject, to indicate the course which you desire adopted in regard to this particular Resolution, more especially because the subject matter thereof is referred to in the preliminary notice received, as already mentioned, from the Supreme Council for Switzerland.

I have not received any official information as to the subjects which will be put upon the Agenda for the proposed Conference; nor do I know if these will be indicated before the Conference is opened. On the other hand, I have received from the Supreme Council for France, a circular-letter intimating the intention of that Supreme Council to bring before the Conference several questions relative to the League of Nations, and in particular, the role which Scottish Rite Masonry might fill and the assistance which it might render in the realization of the purposes of the League. I do not overlook the awful experiences through which Europe has just passed, and is passing, and the intense longing of its peoples, a longing which we share with them, for something, anything, which will make a repetition

of those experiences impossible, or in any event unlikely. But, speaking entirely on my own behalf and expressing my own personal view, if the proposal of the Supreme Council for France to discuss the aims of the League of Nations before the next International Conference implies or hopes to secure any concrete action by the participating Supreme Councils, it would not be a proper matter for consideration; indeed, looked at from any point of view, and notwithstanding the importance of the subject, it is not a Masonic question and should not be introduced at a Masonic gathering.

It was well remarked some years ago by our M. ∴ P. ∴ Past Sovereign Grand Commander GIBSON, that "the genius of Masonry is not absolutely identical in the nations throughout the world in which Scottish Rite Masonry is represented." This is undoubtedly, and often obviously, true; indeed, during the past year we have received more than one communication from other Supreme Councils asking our co-operation in purposes which, quite apart from any inherent merit or apparent local importance they may possess, are not Masonic purposes, as we understand the term. We may, as men and as citizens in the enjoyment of a vast freedom, sympathise with others who, on their own showing, are not so fortunately placed; but it must be as men and as citizens, not as Masons, that we speak and act. It must be our constant effort, as English-speaking Masons, to maintain and transmit pure and unsullied the inheritance which we have received from our forefathers. The longer I live, the more am I convinced, and you will all agree, that if we are to maintain the genius of Masonry as it has been taught to us, if it is to continue in ever increasing measure the powerful agency for human happiness which we seriously believe it to be, then it is fundamentally essential, and for that reason, no less than by reason of ancient injunction, it is obligatory upon us that in our character of Freemasons we avoid and absolutely eschew any and every political or sectarian entanglement.

### CONCLUSION

As I have already remarked, the year that has elapsed since our last Annual Session has been for Scottish Rite Ma-

sonry in Canada a year of peace, harmony and progress; and it is most gratifying for us, as Canadians, to feel that those conditions may be truly said to have predominated throughout the Dominion during the same period. However gradual may be the process of restoring our lives, collectively and individually, to a normal and more accustomed state, it is manifest that the restoration is progressing and that it is real.

Is it futile to hope—is it too ambitious to suggest—that the Scottish Rite Masons of Canada, not collectively as an institution, but individually, may render valuable service in the ultimate re-establishment of those well-ordered conditions from which happiness and contentment will more surely flow and upon which our national welfare and safety depend?

Freemasonry claims no special right of ownership, no exclusive vested interest in those immutable, eternal principles upon which it is broad-based and for which it stands; these are the common heritage of the race, the right to benefit by them is as universal as the obligation to observe them, however feeble at times may seem the recognition accorded to them as compelling duties to be fulfilled. But Freemasons are by profession and promise bound, in a very special manner, to loyalty to those principles; and if we take our Masonry seriously we must and do believe that those principles are as essential in the lives of the individual and of the community as the air we breathe. Scottish Rite Masonry is not a rival to, nor does it seek to supplant any other Masonic organization. It believes in and accepts those immutable principles which are the basis of the whole structure of the Craft at large, and it exists and constantly seeks to enlarge the field in which those principles may be applied and hold unquestioned sway.

In this connection I like these fine words of M. ∴ P. ∴ Bro. ∴ BARTON SMITH 33°, Sovereign Grand Commander of the Supreme Council of the Northern Masonic Jurisdiction, U.S.A., contained in his Annual Allocution in 1919. When he uttered them he had another matter in mind, with which we are not at the moment concerned; but the words themselves are strong

enough and true enough to stand by themselves without the support of the context. He says that except for its own organizations, and within the scope of its own purposes, the Scottish Rite is not a ruling body, meaning that it is not a ruling Body in the sense that a Craft Grand Lodge is such; and he adds that in all English-speaking countries the Scottish Rite . . . "is purely an educational and charitable organization, "aiming, so far as its abilities will permit, to be and become a "great instructor of Freemasonry, teaching Freemasons "selected by itself the higher duties of man and promoting, "by its educational processes, truth, manliness, self-sacrifice, "love and devotion to country, and in the most absolute sense, "liberty, equality and fraternity. It is true that the Scottish "Rite selects men whom it believes to be fitted to receive the "educational training, and it regards its selection as among the "highest honors which can come to man; but ever and always "its post of honor is the post of duty, of danger and of labor, "and there is no other nobility in Freemasonry."

Those words are true, Illustrious Brethren, and like every statement of the truth, should arrest our attention. Every man, whoever and wherever he may be, has an influence upon others. I repeat, therefore, may we not hope that the individual influence of Scottish Rite Masons upon the Craft from which they are selected, and to which they owe greater loyalty and more devoted service because of that selection, may be such as to promote an increasing sense of the higher duties of man among the brethren with whom they are associated in everyday life, and through those brethren, as well as by themselves, to deepen the conception and to further the practice of those virtues among their fellow-citizens everywhere? I can conscientiously believe that in such a hope alone will we find, even in our own hearts, a real and satisfying justification for the time and the energy which we devote and which we ask others to devote to the work of the Ancient and Accepted Scottish Rite.

And now, Peers and Brethren, let us devote ourselves to the discharge of the duties before us and may the Most High guide and prosper our endeavors.

J. ALEX. CAMERON 33°,  
Sov ∴ Gr ∴ Commander.

## REPORTS OF DEPUTIES.

The following reports of the Deputies of the Supreme Council for the different Provinces were then read—

## ONTARIO.

**To the Supreme Council A .: & A .: Scottish Rite for the  
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

I have the honour to submit this my seventh annual report as Deputy for the Province of Ontario:

Prosperity and peace reign throughout the Province; regular meetings are held in every Valley and large additions made to our membership.

The returns for the Province show a net increase in the Consistory of 348; in the Rose Croix Chapters of 414; in the Lodges of Perfection of 748.

Dispensations have been granted to some of the Valleys to hold their elections or installation ceremonies on other than regular nights of meeting. Also in a few special cases to waive the time limit between degrees; chiefly to the Consistory for brethren travelling long distances. Fully realizing the wishes of Supreme Council that the Statutes and Regulations be strictly adhered to in this respect, I have been very careful in granting dispensations.

## BARRIE.

I visited this beautiful city on July 8th and 9th and witnessed the conferring of part of the 14°, also the 15° and 18°.

The earnest and impressive rendition of the Ritual by all the workers is laying a foundation in our Northern districts of admiration and respect for the Scottish Rite that will have great influence for good.

## FORT WILLIAM.

I visited this live, progressive Valley on Aug. 9th, and was most courteously received and entertained by the brethren of the Lodge and Chapter. Here, as elsewhere, the membership is composed of the leading men in the community. Their apartments are large and very comfortable and their appointments are quite appropriate. While there I was presented with a largely signed petition to the Supreme Council from members of the Lodge and Chapter asking that they be permitted to take their Consistory degrees in, and become members of, the Manitoba Consistory. This petition was duly forwarded to the Sovereign Grand Commander.

## GUELPH.

While the regular meetings have been held during the year, and the usual work done, very modest additions have been made to the membership, owing to their Reunion having been held in October.

While visiting here last week I witnessed the conferring of the Lodge of Perfection degrees on a class of thirty-one; all done in a very creditable manner; one degree by the brethren from Kitchener.

## HAMILTON.

The Consistory has had the busiest year in its history. Large numbers of candidates from all parts of the Province have kept the workers and officers very busy. The net increase in membership is 348.

The Rose Croix Chapter have increased their membership by 72, and the Lodge of Perfection have added to their membership, 174. The majority of this large number comes from the various cities and towns in the Southern Peninsula; about 30 from the City of Brantford alone.

The Bodies here have purchased the "Towers," a stately residence and grounds, as a permanent and dignified home for the Scottish Rite and will shortly erect a Cathedral on the

grounds capably of seating about eight hundred people, after leaving suitable space for stage, committee and property rooms.

#### KINGSTON.

I am pleased to state that I have received very satisfactory reports from both Lodge and Chapter in this Valley, and that good progress is being made. They purpose holding a reunion on Nov. 16th and 17th, when work from 4° to 14° will be exemplified.

#### LONDON.

The centre of a territory filled with prosperous towns and villages, it is expected that London Valley should make steady progress. Their report this year shows an increase in the Lodge of 73; a very satisfactory showing.

#### OTTAWA.

Good work and activity are evident here. A net increase of 67 in the Lodge of Perfection is gratifying, because they must all be good men or they would not be admitted in Ottawa.

#### SAULT STE. MARIE.

Regular meetings are being held and quiet progress is being made.

#### TORONTO.

This is a very busy place Masonically, guided by a lot of earnest, sincere men and governed by high ideals. The Rite in Toronto is going ahead very rapidly. The net increase of 137 in the Lodge of Perfection is an evidence of the work being done.

"I will endeavour to do something during my life that will be of benefit to those who come after me." This was surely the motto of the four members of Supreme Council from Toronto who died during the year: Brothers ALLEN, RYRIE, EDDIS and BROWN.

Men in all parts of the Dominion are better men because these men lived. During the working of the Rose Croix De-

gree last Saturday evening, their very presence seemed to be with us.

#### WINDSOR.

This has become a very live centre and the Scottish Rite is occupying a prominent place in Masonic circles. One hundred and twenty members have been added to the roll of the Lodge of Perfection during the year.

They have purchased a beautiful old residence and grounds overlooking the Detroit River for a Scottish Rite Home, and are busy raising funds with which to build a Cathedral on the property.

I beg to suggest to Supreme Council that a cheque be sent to Windsor as a donation towards the cost of their Temple, of an amount in proportion to the value of the completed property and that in the future a similar donation be made from the funds of Supreme Council to any Valley that becomes the possessor of a suitable and distinctly Scottish Rite Temple.

Before closing my report I wish to call the attention of Supreme Council to the custom in some bodies when sending out their regular monthly notices of printing in full the names of the workers and the characters they are to assume, as for instance:

“Ill. Bro. J. P. Grando 33°—King Solomon.”

In my opinion this practice should not be continued, as a list of the names of the workers, omitting the characters, should be sufficient.

Fraternally submitted,

F. J. HOWELL 33°,

Deputy for Ontario.

## QUEBEC.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada**

ILLUSTRIOUS BRETHREN:

It gives me great pleasure to be able to report that the past year has been one of successful effort and most gratifying progress in all of the Bodies of the Rite in the Province of Quebec—Peace and the warmest sense of brotherhood prevail.

I have attended the meeting of Lodge, Chapter and Consistory in the Valley of Montreal—at the meeting of Rose Croix on Easter Sunday I unveiled a brass tablet—the Honor Roll—erected to the lasting memory of the members of the Rite in the Valley of Montreal who had served their King and Empire in the great war.

On June 1st I paid an official visit to the Bodies in the Valley of Quebec and received a very hearty welcome. I witnessed the degree of Rose Croix splendidly exemplified by the Most Wise and his officers. I cannot find words strong enough with which to express my appreciation of the loyalty and earnestness of all the various officers in the Valley of Montreal, and in the Valley of Quebec, or with which to compliment their painstaking work.

It is my sad duty to record the death of five of our brethren in the Province: Ill ∴ Bro ∴ CHARLES RAYNES 33°; Ill ∴ Bro ∴ J. W. MOLSON 32°; Ill ∴ Bro ∴ JOHN MCLEAN 32°; Ill ∴ Bro ∴ HARRY BROPHY 32°; and Ill ∴ Bro ∴ Jos. J. ROSS 32°—all of them highly honored brothers whom we shall greatly miss.

I carried out a promise made by my predecessor and granted a dispensation on April 9th last to make it possible for three worthy brethren of New Carlisle to receive the 31° and 32° within the regular time limit. Knowing all the circumstances, I considered the request for the dispensation a reasonable one.

May I be permitted to refer to the extreme pleasure and satisfaction with which the entire membership of the Rite in the Province received the news of the elevation to the exalted rank of Sovereign Grand Commander for the Dominion of Canada of our beloved brother Ill ∴ Bro ∴ J. ALEXANDER CAMERON 33°. We love and admire him, and we greatly rejoice that Supreme Council has honored him and his Province.

The returns of the several Bodies, with the required fees, have been duly forwarded to the Secretary-General, in accordance with the statutes.

Fraternally submitted,

FRANK CHARTERS 33°,

Montreal, Oct., 25, 1920.

Deputy for Quebec.

#### NEW BRUNSWICK.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

As Deputy for the Province of New Brunswick, I have the honour of submitting my annual report.

According to the report of last year (1919) we showed in the Lodge of Perfection 123 members. During the year we added by initiation, 24, and lost by death 3 and by withdrawal 1, so that now we have a total of 143; fees and dues, \$107.75.

Harington Sovereign Chapter Rose Croix showed last year A.D. 1919, a total of 89. There were added during the year 19, but we lost by death 3, by withdrawal 1, so that now our total is 104; fees and dues, \$64.

New Brunswick Consistory showed last year a total of 76 members. We added by initiation 16, but lost by death 3,

and by withdrawal 2, so that at present we have on roll, 87; fees and dues, \$103.75. So far as my knowledge goes the returns and money have been duly forwarded to the Secretary-General.

During the year I have only issued two dispensations.

During the year just passed a great improvement in the character and extent of the work done has been noted.

We had during the year a reunion with our brethren from Nova Scotia and Prince Edward Island. Degrees were worked by our brethren and also by those from Nova Scotia, as follows: 4th, 7th and 31st by teams from St. John; 5th and 14th by teams from Halifax. The work was done most admirably. In my opinion, every body of the Rite in this Valley was never in so good a condition as at present, and the members were never so enthusiastic or more determined to carry out the workings of the degrees in such a way as to merit the applause of all who saw it. It was with much regret to all of our members that we missed the presence here of the Deputy from Nova Scotia, Ill ∴ Bro ∴ WINFIELD.

It looks to me as if this reunion would be an annual affair.

Fraternally submitted,

THOMAS WALKER, M. D.,  
Deputy for New Brunswick.

NOVA SCOTIA.

To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I have the honour to submit my annual report as Deputy for Nova Scotia.

The past year has been one of steady progress in every direction.

The membership in the Lodge has increased by 32, or 20 per cent; the Chapter, 16; and the Consistory, 3.

Much greater interest is being manifested in the meetings, and the attendance is steadily growing, at times exceeding our limited accommodation.

The zeal and fidelity of the Officers of the several bodies of the Rite, the steadily increasing proficiency and effectiveness in the exemplification of the various degrees have much to do with this happy state of affairs.

The impressive Easter ceremonies, conducted by the M. ∴ W. ∴ S. ∴ Ill. ∴ Bro. ∴ W. H. HAYES, are well worthy of special mention, and will long be remembered by everyone fortunate enough to be present on that occasion.

I am glad to report that still more care is being taken to make sure that all brethren admitted will reflect honour and credit on the Rite.

In April, an invitation was received from the brethren of St. John, New Brunswick, to attend a reunion in that city. Over thirty of our members were able to accept this invitation and went forward in a special car. By request, they exemplified both the fifth and fourteenth degrees. Owing to illness, I was not privileged to attend that gathering, but from the reports which have reached me I am sure it resulted in strengthening the bonds of friendship and stimulating a further interest in our beloved Rite.

The usual returns have been forwarded to the Secretary-General.

Fraternally submitted,

J. H. WINFIELD 33°,

Deputy for Nova Scotia.

## PRINCE EDWARD ISLAND.

**To the Supreme Council A .: & A .: Scottish Rite for the  
Dominion of Canada.**

## ILLUSTRIOUS BRETHREN:

I have the honour of submitting my annual report as Deputy for the Province of Prince Edward Island.

There has been no change in the membership of the different bodies since the last report, no work having been done in any of them, and we are thankful that none has been removed by death or otherwise.

We learn with deep sorrow of the passing away of Illustrious Brothers Judge MACWATT and our late Past Sovereign Grand Commander, BENJAMIN ALLEN, as these illustrious brethren visited the Valley and thus became personally known to many of our members. The encouragement and instruction so courteously and kindly given by them have been a source of inspiration and have permanently impressed the members with the very highest opinion of the Rite.

The Grand Secretary of the Bodies, G. S. INMAN, K.C., informs me that there is a good waiting list of applications into the Lodge of Perfection, and I know that there are a number waiting advancement from the Chapter to the Consistory, who, for different reasons, have been delayed; so that, although no work has been done this year, we have good reason to expect a better year ahead.

The illness of the Rev. Dr. Fullerton, Commander-in-Chief, and consequent absence from the Province for considerable time during the year, have not only lost to the Bodies his personal interest and labour, but have had a depressing influence on all the membership in the City of Charlottetown and elsewhere in the Province as well. I am pleased to be able to report improved conditions in his health and strength, and we trust after some rest he will be able again to resume his usual activities.

Our Registrar has been attending to his duties as usual, and has forwarded to the Ill ∴ Secretary-General the returns and fees for the different Bodies.

Assuring the Supreme Council of the loyalty and devotion of the brethren in Prince Edward Island to the principles and teachings of the Scottish Rite, and their loyalty to the Most Puissant Sovereign Grand Commander and members of this Illustrious Council,

I have the honour to be,

Yours fraternally,

D. DARRACH 33°,

Deputy for Prince Edward Island.

MANITOBA.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

I have much pleasure in submitting my report for the past year.

The Rite is surely prospering here, as the annual returns will show, in spite of a number of members lost by suspension for non-payment of dues, by death, and withdrawal.

The new members in the Lodge of Perfection were not equal to the number who died, withdrew and were suspended.

It is always most regrettable when the necessary steps have to be taken for suspensions, but having carried some of the brethren for a greater period than the war, some action was required as Supreme Council dues were being paid and there was no hope held out of the brethren paying up. They were given every chance and have no one to blame but themselves for their present position.

Bethesda Chapter has more initiations than the Lodge. We lost, however, nine members by death and withdrawal, leaving a clear gain of fifty-four new members.

In the Consistory, the gain was only two new members, as we lost by death three and withdrawal eight, a total of eleven. We hope to have a good showing for next year as a result of this winter's work, as there were read at recent meetings, seventeen applications for Lodge of Perfections, thirty-one for the Chapter, and fifty-five for the Consistory.

The fall and winter term got off to a good start as up to the present date we have had meetings of all three bodies and there will be another meeting of each body before the end of the present month.

Several of the brethren who died during the year under review were out-of-town members and one or two city brethren were of the oldest members, but not very regular attendants.

The different bodies of the Rite are in good standing, the books are well kept and are regularly audited.

I think I can say with absolute safety that peace and harmony reign in this valley.

Yours fraternally,

T. HARRY WEBB 33°,

Deputy for Manitoba.

BRITISH COLUMBIA.

To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

It is again my privilege to submit this, my annual report for the Province of British Columbia for the year ending Aug. 31st, 1920. I am very pleased to say we have had a very

prosperous year, taken as a whole, with good increase to our membership in the three bodies. In the Lodge of Perfection we have added forty-one new members, thirty-eight by initiation, three by affiliation,. There were two withdrawals one suspension, and two deaths, while four were restored to full membership, giving a total increase of forty for the year. In the Rose Croix Chapter, we added forty-six new members, of which forty-three were by initiation and three by affiliation. There was one withdrawal, two deaths and three restorations, which left the total increase, viz., forty-six, intact. In the Consistory we added by initiation thirty; we lost two through death, and two were restored, leaving thirty as our net increase. Our total membership in the three-bodies being Lodge of Perfection 361; Rose Croix Chapter 201; and Consistory 146.

Finding our 1918 reunion such a success through the three-fold system, we repeated the operation again in Feb., 1919, with equal satisfaction, and while our quarters remain cramped, for room, this method will continue.

The Great Messenger from the Supreme Council above again visited our Valley during the past year and twice rapped at the portal demanding two of our most esteemed brethren, and we were called upon to lay aside over the Great Divide Ill ∴ Bro ∴ T. NEWMAN who was a very regular attendant at all of our meetings and ever ready to lend a helping hand; and Most Ill ∴ Bro ∴ BENJAMIN ALLEN, who was the Immediate Past Sovereign Grand Commander of our Supreme Council. Most Ill ∴ Bro ∴ Allen was an honorary life member of all Vancouver Bodies, and was held in the highest esteem by all of our brethren particularly those who knew him in the early days when we were struggling along endeavouring to establish the Rite in British Columbia on a firm foundation. Bro. Allen endeared himself to all through his many acts of thoughtful kindness, visiting us regularly for many consecutive years always extending his heartiest assistance when needed, giving us every encouragement and directing us in overcoming many difficulties that developed while getting established. Those annual visits were always looked forward to by us with

great pleasure and sorry we were when they ended. The Rite in British Columbia owes a great deal of gratitude to our late Ill ∴ Bro ∴ Allen and feel time will never erase from our memory the big, kind, warm-hearted brother who was ever a faithful friend to each and every one of us. His many good qualities were not enjoyed by or confined only to Vancouver brethren, for we know Ill ∴ Bro ∴ Allen was beloved and esteemed clear across the continent from the Atlantic to the Pacific ocean. His name was a signal among Masons to bring out an outburst of loving enthusiasm whenever he visited and few men enjoyed such esteem at least, to the extent that Ill ∴ Bro ∴ Allen did. We mourn his loss but console ourselves with the reflection that the souls of the great and righteous dead are immortal and their memory lives far beyond the grave.

The Easter ceremonies were, as usual, well attended and everyone present was greatly impressed with a splendid address by Ill ∴ Bro ∴ G. ROY LONGS, K.C., on the letters I. N. R. I. and their literal significance. These annual ceremonies and admirable addresses delivered by some distinguished brother in our midst, are having a most beneficial effect on the minds of all our members. Many express the delightful feelings such gatherings produce, and say that of all the Masonic meetings they attend throughout the year those of the Rite at Easter time are the most impressive and lasting in their effects. I wonder if this is the experience in all our Valleys.

A very urgent request was received by me from the Commander-in-Chief of the B. C. Consistory asking that the time limit between the 30° and 31° and the 31° and 32° be waived in behalf of some 30 applicants. As many of these candidates had travelled long distances, in some cases two days each way, I deemed it was in the interests of the Rite as well as the brethren themselves that this request should be granted. I accordingly issued my dispensation.

During the year complaint was made to me that there had been an invasion of our jurisdiction. The full correspondence resulting therefrom is enclosed with this report.

Our Secretary has forwarded his report for the year. All fees for the different bodies have been remitted in full, including those for the special dispensation. Peace and harmony prevail throughout the Valley with continued good prospects for the ensuing year. I regret that it will be impossible for me to be present in person at the coming meeting of the Supreme Council. I trust it will prove a most profitable session.

Fraternally submitted.

J. R. SEYMOUR 33°,  
Deputy for British Columbia.

### ALBERTA.

**To the Supreme Council A .: & A .: Scottish Rite for the  
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

I have the honour to submit my annual report for the Province of Alberta.

The reports are in the hands of the Secretary-General and show a marked increase in membership in all Bodies at Edmonton and Calgary. Through being away this year so much, I was unable to make my inspection at Calgary, but the monthly notices I receive show that they are doing good work. I am glad to state that the work at Edmonton is going ahead well, the new members are helping in the work and taking a great interest in it, and have already formed their teams to cover all degrees up to the 14°; the degrees beyond this that we are able to put on are being put on very creditably. Our Commander-in-Chief visited Hamilton recently and I understand gave a good report of the work done here.

Our finances are in good condition, and we are doing all in our power to keep them that way.

Respectfully-submitted,

E. A. BRAITHWAITE 33°,  
Deputy for Alberta.

## SASKATCHEWAN.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the  
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

In accordance with usual procedure I herewith submit my report as Deputy for the Province of Saskatchewan.

I am pleased to assure the illustrious brethren that fraternal conditions prevail in the Province.

It has been my privilege, since instituting the Lodge of Perfection in the Valley of Saskatoon, to have attended a meeting held there early in the year. I was accompanied on that occasion by over twenty-five members of Regina Scottish Rite. We were most kindly received and hospitably entertained. The degrees were conferred by the local Lodge, except that of the fourteenth, which courtesy was extended to the visiting brethren from Regina, the whole of the work was done in a very efficient and impressive manner, and, as hinted at in the Special Deputy's report of last year, our expectations of Saskatoon brethren have been fully realized. No notes of any kind were used in the lodge room. The Saskatoon Lodge is well officered and their books well kept.

In July, I had a request for a Warrant or Charter for the above lodge, accompanied with the fee to cover; this I forwarded to the Secretary-General and respectfully asked that the request of the brethren be granted, and a Charter be issued.

The Regina Rose Croix Chapter, under good, active and true officers can give a good account of themselves.

The Consistory, still under dispensation, is well officered, and the work done is most satisfactory.

I had a petition presented asking that a Dispensation be granted to advance, within the prescribed period, five brethren from the degree of "Grand Pontiff" to that of "Knight Kadosh." As there was no likelihood of the Consistory having another meeting until after holidays, and as all the brethren

were anxious for advancement, after due consideration, and assurance that such an act would not establish a precedent, I granted the request of the petitioners.

I would respectfully recommend that a Charter be granted to Saskatchewan Consistory.

I have been informed by the officers of the different bodies that the returns and fees have been forwarded to the Secretary-General's office.

It is with feelings of much regret that we note the great loss that our Institution has sustained since our meeting of a year ago in the death of our late Sovereign Grand Commander, BENJAMIN ALLEN. To know Bro. ∴ Allen was to love him, and though some of us had only a slight acquaintance with him in comparison to others, yet we will all miss his kindly smile and warm hand-shake, as he was always interested in the welfare and good of the Craft.

Fraternally submitted,

ALEX. SHEPPHARD 33°,

Deputy for Saskatchewan.

These reports were, on motion by Ill. ∴ Bro. ∴ HOWELL, seconded by Ill. ∴ Bro. ∴ CHARTERS, referred to the Committee on Doings of Inspectors-General and Special Deputies.

The Supreme Council was called off in General Session and the

The roll was accordingly called, and the vote in their favour having been found to be unanimous, these ten brethren were declared duly elected.

On motion duly made, GEORGE MOORE, of Hamilton, JOHN McKNIGHT, of Toronto, and ARTHUR CARSON McMASTER, of Toronto, Honorary Inspectors-General, were nominated for election to the rank of Sovereign Grand Inspector-General.

The Executive Session was closed at 12.30 o'clock.

The Supreme Council resumed labour in General Session at 3.30 o'clock p.m.

The thirty-third degree was conferred in full form on the following S ∴ P ∴ R ∴ S ∴ 32°, who had been duly elected to receive the same:

EDWARD MAXWELL WALKER, Winnipeg, Man.; JOHN TAYLOR WEBB, Winnipeg, Man.; and JAMES McCAULEY, Moose Jaw, Sask., and they were received, welcomed and proclaimed Honorary Inspectors-General and enrolled as Honorary Members of the Supreme Council for the Dominion of Canada.

Respectfully submitted,

JAMES GLANVILLE.

F. G. WAIT.

Hamilton, Ont., 27th October, 1920.

This report, on motion by Ill ∴ Bro ∴ GLANVILLE, seconded by Ill ∴ Bro ∴ McDOUGALL, was received and adopted.

The Committee on Audit and Finance presented the following report:

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the Dominion of Canada.**

## ILLUSTRIOUS BRETHREN:

Your Committee on Audit and Finance beg leave to report that they have checked the Cash Statements of the Secretary-General and the Treasurer-General and have verified the disbursements by Vouchers for the year ending October 15th, 1920.

Your Committee finds the cash balance in hand amounts to \$3,678.48.

Respectfully submitted,

E. B. BUTTERWORTH 33°.

LEWIS F. RIGGS 33°.

F. J. HOWELL 33°.

On motion by Ill ∴ Bro ∴ BUTTERWORTH, seconded by Ill ∴ Bro ∴ Riggs, this report was received and adopted.

A petition was presented from certain members of the Rite residing in the Valley of Fort William, asking for a dispensation to enable them to receive the Consistory degrees in the Valley of Winnipeg.

From the resulting discussion it soon appeared that it would not be well to grant the request, and the petition was allowed to be withdrawn.

This Session of the Council was closed at 6.10 p.m.

The Supreme Council resumed labour in General Session at 8 p.m.

The Fourth and Fourteenth degrees were exemplified in full form as modified by the special committee on Ritual.

This Session of the Council was closed at 10.00 p.m.

#### THURSDAY, OCTOBER 28th.

The Supreme Council resumed labour in General Session at 10.30 a.m.

The Special Committee on the Address of the Sov. Grand Commander presented the following report:

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

Your Special Committee appointed to report on the Address of the Sov ∴ Gr ∴ Commander beg to submit the following report:

Your Committee are fully in accord with the Sov ∴ Gr ∴ Commander in congratulating the Hamilton brethren on the

acquisition of the "Towers" as the exclusive home of the Scottish Rite; in his sympathetic appreciation of the loss sustained by the Supreme Council in the death of so many of its members, and in his reference to similar losses in Sister jurisdictions.

Your Committee suggest that Supreme Council approve of the expenditure for a part of the cost of a special train on the occasion of the funeral of our late Ill. Bro. MACWATT.

The various acts and decisions of the Sov. Gr. Commander appear to your Committee to have been fully justified by the attendant circumstances.

The matter of the petition from certain brethren in the Valley of Ft. William having been dealt with by Supreme Council, calls for no action by your Committee.

Your Committee consider that the use of uniform forms for affiliation by the various bodies in the jurisdiction will serve a very useful purpose and therefore recommend that the action of the Sov. Gr. Commander in this matter should be fully approved.

Your Committee think that Supreme Council should be congratulated on the happy selection of members of the Committee on revision of the Rituals and the very satisfactory progress made by this committee.

In the matter of jewels to be worn by members of Supreme Council, your Committee recommend that such change be made in the statutes as will restrict the wearing of the Grand Decoration of the Order (see p. 82 of Statutes) to Active Members only.

In the matter of the proposed conference of Supreme Councils, to be held in Switzerland in 1921, having regard to the fact that no definite programme of the matters to be discussed has been received and also recognizing the almost fundamental difference in conception of the genius of Freemasonry as under-

stood by English-speaking Masons and those of some other countries, your Committee would suggest that our Council proceed with extreme caution towards committing ourselves to a participation in any proposed conference.

This decision is strengthened by the proposal of France that certain questions regarding the League of Nations form a part of the programme for discussion, and your Committee are in accord with the view of our Sov. Gr. Commander that this is not a proper matter for consideration at a Masonic gathering.

Your Committee venture to congratulate the Sov. Gr. Commander on his scholarly exposition of the genius, purpose, and character of the aims of Scottish Rite Masonry, and regard it as a source of felicitation that the Rite has made such satisfactory progress in nearly every part of the jurisdiction and that nothing has occurred to disturb the harmony that has so long characterized the work of the Rite in Canada.

Fraternally submitted,

H. A. MACKAY 33°.

W. H. BALLARD 33°.

On motion by Ill. Bro. MACKAY, seconded by Ill. Bro. BALLARD, this report was received and adopted.

After a general discussion of the proposal of the Supreme Council for Switzerland to hold the next Conference of Supreme Councils at Lausanne in May, 1921, it was moved by Ill. Bro. GLANVILLE, seconded by Ill. Bro. WINFIELD and resolved that:

Whereas this Supreme Council recognized and by participation in two previous Conferences has evidenced its desire to assist in realizing the earnest belief or hope cherished by some of our Sister Supreme Councils that International Conferences of the Supreme Councils of the world would be productive of good results.

And whereas, while admitting that under certain circumstances and with due safeguards those results might be achieved this Supreme Council believes it advisable that as regards the proposed Lausanne Conference of 1921 the Mother Country Supreme Councils and the Supreme Councils of the Northern and Southern Jurisdictions of the United States should be consulted as to their proposed action in the matter.

Be it Resolved, that a Committee, consisting of the M. : P. : Sovereign Grand Commander, the M. : P. : Past Sovereign Grand Commander, Sir John M. Gibson, and the P. : Lieutenant Grand Commander be and is hereby appointed to confer with other English speaking Supreme Councils with a view to concerted action in the premises, but with power in any event if deemed advisable, to name a representative or representatives from this Supreme Council to be present at the next International Conference.

And further resolved that all necessary expenses of such representative or representatives be borne by Supreme Council.

The Committee on the Doings of Inspectors-General and Special Deputies presented the following report:

**To the Supreme Council A. :. & A. :. Scottish Rite for the Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

Your Committee on the Doings of Inspectors-General and Special Deputies finds itself without the advantage of seeing the reports from the Provinces of Prince Edward Island and Alberta, which will, doubtless, arrive later; but from the reports submitted it is evident that the Rite continues to prosper in all directions.

In the Province of Ontario there has been a large increase in membership, and your committee has great pleasure in particularly calling attention to the purchase of the "Towers" at Hamilton for a permanent and dignified Home for the Rite

and the proposal in connection therewith to erect a Cathedral of large capacity. And to a similar acquisition at Windsor, where a beautiful old residence has been purchased overlooking the Detroit river.

The report on the Province of Quebec is excellent, and that Province is to be congratulated as the home of the Most Pious-  
sant Sov ∴ Gr ∴ Commander.

In Nova Scotia and New Brunswick steady progress is reported.

In Manitoba, under special circumstances, there has been no increase in the number of members of the Lodge of Perfection, but the Rose Croix Chapter shows substantial growth, and the report indicates great hopes for the future of all the Manitoba bodies.

The Saskatchewan report is very gratifying as to the efficient and impressive manner in which the work is put on in Saskatoon. Your Committee beg to recommend the issue of a Charter to the Lodge of Perfection at Saskatoon and for the Rose Croix Chapter at Regina.

Progress in British Columbia is also all that can be expected showing a very substantial increase in membership in all the bodies in that jurisdiction. Your Committee, however, feel it necessary to call your attention to the fact that the Illustrious Deputy for British Columbia seems to have assumed that it is within his province to engage in correspondence with a Foreign jurisdiction, overlooking the fact that this is reserved to the Sov ∴ Grand Commander. (See page 58, S. S. F. Statutes and Regulations of Supreme Council.)

Your Committee does not see fit to comment on that correspondence further than to say that, while its cause is very regrettable, there is no doubt in the mind of your Committee but that in the future the foreign jurisdiction in question will be exceptionally careful in accepting applicants' statements as to residence in localities near the limits of their jurisdiction.

Your Committee take leave to congratulate the Deputies for the provinces whose reports they have before them on their very evident care and energy displayed in carrying out their very important duties.

Fraternally submitted,

ALFRED F. WEBSTER 33°

LEWIS F. RIGGS 33°.

F. G. WAIT 33°.

This report, on motion by Ill ∴ Bro ∴ WEBSTER, seconded by Ill ∴ Bro ∴ RIGGS, was received and adopted.

Ill ∴ Bro ∴ HOWELL gave notice that at the next Annual Session of Supreme Council he would move:

That the Grand Decoration as described in Sec. 93 of the Statutes and Regulations may be worn by Active Members only, and that this Decoration without the two circles and suspended on a white ribbon may be worn by Honorary Members of Supreme Council.

Ill ∴ Bro ∴ WALKER moved, seconded by Ill ∴ Bro ∴ WEBSTER, that the next Annual Session of Supreme Council be held in St. John, New Brunswick. It was moved in amendment by Ill ∴ Bro ∴ GLANVILLE, seconded by Ill ∴ Bro ∴ MACKAY, that the next Annual Session be held in Ottawa, Ontario. The amendment was declared carried.

On motion by Ill ∴ Bro ∴ WEBSTER, seconded by Ill ∴ Bro ∴ HOWELL, Supreme Council approved and adopted the Ritual of the Fourth Degree and also that of the Fourteenth Degree as exemplified at this Session by the Special Committee on Ritual.

On motion by Ill ∴ Bro ∴ WEBSTER, seconded by Ill ∴ Bro ∴ HOWELL, an appropriation of five hundred dollars was

made towards defraying the expenses of the Committee on Ritual.

On motion by Ill ∴ Bro ∴ WEBSTER, seconded by Ill ∴ Bro ∴ HOWELL, the Committee on Ritual was empowered to take the necessary steps to have the changes in the Rituals placed in the hands of subordinate bodies at as early a date as possible.

On motion by Ill ∴ Bro ∴ WAIT, it was decided to send a message of fraternal sympathy to Past Sov ∴ Gr ∴ Commander ISAAC H. STEARNS expressing the regret of all the members of the Council at his enforced absence through illness and the sincere wish that he may regain his usual health and vigour.

The Fifteenth Degree was exemplified in full form at the instance of the Committee on Ritual.

Supreme Council adjourned in General Session at 6 o'clock p.m.

The Council resumed labour in the

ILLUSTRIOUS BROTHER

**Charles Raynes, 33°**

HONORARY MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B ∴ B ∴ and under the C ∴ C ∴ of that zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

At the last meeting of Supreme Council, the death of Illustrious Brother CHARLES RAYNES, K.C., 33°, was announced to the members present, and it is now my duty to convey the sad news to the Brethren of the Jurisdiction.

Brother Raynes had been in failing health for several years and had gradually lessened his activities, although he continued to attend his office, to some extent at least, until a few weeks before his death which occurred on the 6th October last.

Born at Montreal in 1859 he was educated at Bishop's College School and McGill University. He was called to the Bar in 1881 and had since continuously followed the practice of his profession in his native city.

He was made a Mason in St. Paul's Lodge No. 374, English Register, on the 27th of December, 1888, and was Worshipful Master in 1897-8; Worshipful Master of St. Paul's Lodge of Mark Master Masons No. 131 E ∴ R ∴, in 1896-7-8, and Z ∴ of St. Paul's Royal Arch Chapter No. 374 E ∴ R ∴ in 1902-3.

In the A ∴ & A ∴ S ∴ R ∴ he received the 14° in 1893, and in due course the degrees of the Chapter and Consistory; was M ∴ W ∴ S ∴ 1898-1902; C ∴ in C ∴ of the Consistory, 1907-8-9, and was received into the Supreme Council as an Honorary Inspector-General 33°, in Oct., 1903.

He was a keen Mason, with special gifts as a ritualist; and during the period of his activities in the Bodies of the Rite in Montreal he was unsparing of time and energy in his desire to serve the Institution of which he was a valued member. He was unmarried and resided with his brother and sisters at "Forden," their old family home in Westmount.

As a mark of respect to the memory of our departed brother, the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council,  
this 15th day of November, 1919.

J. ALEX. CAMERON 33°,

Sovereign Grand Commander.

ILLUSTRIOUS BROTHER

**Wilton Clement Eddis, 33°**

HONORARY MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B ∴ B ∴ and under the C ∴ C ∴ of that zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

It is with deep regret that I announce the death of Illustrious Brother WILTON CLEMENT EDDIS 33°, at his home in Toronto, on the 1st of November, 1919.

Bro. Eddis was born in London, England, on the 15th September, 1855, and was educated at Merchant Tailors' School and Dulwich College. Removing to Australia about 1873, he entered the banking business, first with the Bank of New South Wales, and afterwards with the Australian Joint Stock Bank, from which he resigned in 1894 and removed to Toronto. In 1895 he was admitted a member of the Institute of Chartered Accountants of Ontario, and practised the profession until his death. He was President of the Institute from 1900 to 1903.

Bro. Eddis entered the Craft in Tarrant Lodge No. 203, at Kempsey, N. S. W., in January, 1892, becoming W. M. in 1894, and was exalted in Kilwinning Chapter No. 135 R. A. M., at Sydney, N. S. W., in June, 1892. On removing to Toronto, he affiliated with Zetland Lodge No. 326 and with St. Paul's Chapter No. 65.

In the A ∴ & A ∴ S ∴ Rite he received the degrees of the Lodge of Perfection (1899) and the Rose Croix Chapter (1902), in Toronto, and the 32° in Hamilton in 1904. He was T ∴ P ∴

G .: M .: in 1905 and M .: W .: S .: in 1909, and was received into Supreme Council as an Honorary Inspector-General 33° in 1913. He was a member of the Royal Order of Scotland.

Bro. Eddis was ardently devoted to his profession, firmly upright and honorable in character and earnest in doing that which it was right for him to do. He was one of the leaders in his profession in Canada and was held in high esteem not only by his confreres and his clients, but also by all those who were privileged to know him. One of the best evidences of that esteem was the character and standing of the men who were present at his funeral.

As a mark of respect to the memory our departed brother, the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council, this 30th day of November, 1919.

Sovereign Grand Commander.

Secretary-General, H .: E .:

ILLUSTRIOUS BROTHER

**William Piggot Ryrie, 33°**

ELECTED TO ACTIVE MEMBERSHIP IN THE  
SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B ∴ B ∴ and under the C ∴ C ∴ of that zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

Once again there is imposed upon me the unwelcome duty of announcing that one of our members has closed his earthly career. After a long period of failing health, which rest from business cares and change of climate were powerless greatly to amend, Illustrious Brother WILLIAM PIGGOT RYRIE 33° passed away at his home in Toronto on the 11th November, 1919. The call came to him suddenly and when alone. He had attended a meeting of the Lodge of Perfection that evening, on the invitation of his brethren, in order that they might formally congratulate him on his recent elevation to Active Membership in Supreme Council and present to him the appropriate insignia of his rank. Knowing the precarious condition of his health, and solicitous for his welfare, the brethren were careful to arrange for his withdrawal at the earliest possible moment and before all the business of the evening was concluded. He was bright and cheerful when he left the Temple, and there was no indication to the brethren that the end was so imminent, although it must have come very shortly after his arrival at his bachelor apartments. Among his host of friends, the sorrow caused by his death is intensified by the regret that not one of them was with him at the last.

Bro. Ryrie was born in Toronto on 12th October, 1857, and was educated in the Park and Grammar Schools there. His business career, which commenced at an early age, was

spent in paper and kindred industries. He achieved success and was widely and favourably known in the business world.

Bro. Ryrie entered the Craft through the portals of Lodge Stability No. 217, London, England, in 1894; affiliating with Zetland Lodge No. 326, Toronto, on 22nd February, 1895; and became a Royal Arch Mason in King Solomon Chapter No. 8, Toronto, in the same year.

It was in the Order of the Temple that Bro. Ryrie devoted most of his Masonic energies. Made a Knight Templar in Geoffrey de St. Aldemar Preceptory No. 2, Toronto, on 8th February, 1895, he became in due course its presiding Preceptor; and after filling various offices in the Sovereign Great Priory of Canada, Knights Templar, he was elected Supreme Grand Master and discharged the duties of that office most acceptably and with conspicuous success in 1911 and 1912.

In the A ∴ & A ∴ S ∴ Rite he received the degrees of Perfection (1895) and Rose Croix (1897) in Toronto, and the 32° (1899) in Hamilton. T ∴ P ∴ G ∴ M ∴ in 1901, he was admitted to Supreme Council as an Honorary Inspector-General 33° in 1909, and was elected to Active Membership as a S ∴ G ∴ I ∴ G ∴ at the last Annual Session, but unfortunately he was not present to be crowned as such because the state of his health prevented the journey to Montreal. He was also a member of the Royal Order of Scotland.

Bro. Ryrie was one of a large family all of whom have made their influence for good felt in Toronto.

In business matters he was highly trusted and occupied numerous positions of responsibility among them being those of Director of Becker & Co., of London, England, and President of Hyslop Bros., Limited, Toronto.

His private charities were many and generous, but none could know them fully as he was one who practised the principles of our Order every day of his life.

As a mark of respect to the memory of our departed brother the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council,  
this 30th day of November, 1919.

J. ALEX. CAMERON 33°,  
Sovereign Grand Commander.

ILLUSTRIOUS BROTHER

**Ralph Nathan Black Johnston, 33°**

HONORARY MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B ∴ B ∴ and under the C ∴ C ∴ of that zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

The uncertainty of our tenure of life, even for the youngest among us, has again been demonstrated in the death of Illustrious Brother RALPH NATHAN BLACK JOHNSTON 33°, of Barrie, Ontario, which occurred in his thirty-seventh year on the 27th November, 1919, after less than a week's illness. His first and only appearance in Supreme Council was at our Annual Meeting in October last, when he was received as an Honorary Inspector-General 33°, and his robust and vigorous appearance at that time makes the news of his death all the more startling.

Bro. Johnston was made a Mason in Corinthian Lodge No. 96, Barrie, in 1908 and became W. M. in 1914.

When the bodies of the A ∴ & A ∴ S ∴ R ∴ in Barrie were reorganized in 1914, it was deemed advisable to seek the co-operation of several young and active members of Craft Lodges. Among those who then received the 14° was Bro. Johnston. He was immediately placed in the responsible office of T ∴ P ∴ G ∴ M ∴; and his services and influence there and in the Chapter of Rose Croix (of which he became a member in 1916) no less than the hopes these inspired for his future usefulness, amply justified the selection and led him to Honorary Membership in the Supreme Council at an earlier age than usual. He received the 32° in Moore Consistory, Hamilton, in February, 1919.

Bro. Johnston was successfully engaged in business in Barrie, where he was born and educated. He was held in high esteem by his fellow citizens for his sound judgment, thoroughness and sterling worth. He was fond of music and had devoted much time to choral and other musical work, particularly in St. Andrew's Church.

He was deeply interested in Masonic work; and it is noteworthy that he passed away while on a special visit to deliver a lecture to the Craft Lodge at Iroquois Falls, Ont., 400 miles away from his home.

To his widow, daughter, and aged father our sincere sympathies are extended.

As a mark of respect to the memory of our departed brother the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council, this 30th day of November, 1919.

J. ALEX. CAMERON 33°,

Sovereign Grand Commander.

ILLUSTRIOUS BROTHER

**Daniel Fraser MacWatt, 33°**

LIEUTENANT GRAND COMMANDER OF THE  
SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B ∴ B ∴ and under the C ∴ C ∴ of that zenith, which answers unto 45° 31' north latitude, and 73° 20' west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

It is with deep regret that I announce to you the death of Illustrious Brother DANIEL FRASER MACWATT 33°, the Lieutenant grand Commander of this Supreme Council, at his home, in Sarnia, Ontario, on the 12th February last. Apparently in vigorous health, he contracted influenza, followed by pneumonia and the end came after less than two weeks' illness.

Ill ∴ Bro ∴ MacWatt was born in Nairn, Scotland, on 9th July, 1853, receiving his education in the Academy there. He came to Canada in 1873, and after a few years in other pursuits, entered upon the study of the law. Called to the Bar in 1881, he practised at Barrie, Ontario, until 1899, when he was appointed County Judge of Lambton; and he held that office until his death.

He was made a Mason in Corinthian Lodge No. 96, Barrie, in 1885, and was W. M. in 1888. His service to his Grand Lodge was continuous from 1889, including the office of Grand Master in 1909-1910. In Capitular Masonry, he received the degrees in 1886, in Signet Chapter No. 34, Barrie; and after serving different offices there and in Grand Chapter, became Grand First Principle, 1913-14. In the Cryptic Rite he attained the office of Grand Master 1891-1893. He was active in the Order of the Temple for many years and was Supreme Grand Master

of the Sovereign Great Priory of Canada, Knights Templar, 1897-99.

In the A ∴ & A ∴ S ∴ Rite he received the degrees 4th to 14th and 15th to 18th in November, 1887, on the occasion of the visit of a delegation to Barrie to institute the Barrie Lodge of Perfection, of which he was the first T ∴ P ∴ G ∴ M ∴; he was also the first M ∴ W ∴ S ∴ of Spry Chapter of Rose Croix, instituted at Barrie some four years later. He became a S ∴ P ∴ R ∴ S ∴ 32° in Moore Consistory, at Hamilton, in 1888.

He was admitted to Supreme Council as an Honorary Inspector-General 33°, in 1894, and was crowned a S ∴ G ∴ I ∴ G ∴ and Active Member in 1896. He held various offices in Supreme Council, including that of Lieutenant Grand Commander, to which he was elected at our last Annual Session.

He was also a member of the Royal Order of Scotland.

The late Ill ∴ Bro ∴ MacWatt was an indefatigable worker, tireless industry being a pronounced feature of his character in any sphere of action in which he found himself employed. He was an ardent Mason and in spite of the exacting demands of his judicial career, he devoted much time and energy to the advancement of what he believed to be the best interest of the Order. While he hewed to the line with unerring directness in his interpretation of the laws which he was called upon to administer, whether in his official capacity on the Bench or as the head of Masonic or other fraternal associations, yet, he was kindly sympathetic and considerate in the intimacies of private life; and many who have been cheered by a timely word of encouragement will hold him in grateful remembrance.

Our sincere sympathies are extended to his widow and family.

As a mark of respect to the memory of our departed brother the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and sea of the Supreme Council,  
this 29th day of March, 1920.

J. ALEX. CAMERON 33°,  
Sovereign Grand Commander.

ILLUSTRIOUS BROTHER

**Benjamin Allen, 33°**

PAST SOVEREIGN GRAND COMMANDER OF THE  
SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B  $\therefore$  B  $\therefore$  and under the C  $\therefore$  C  $\therefore$  of that zenith, which answers unto  $45^{\circ} 31'$  north latitude, and  $73^{\circ} 20'$  west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN:

With feelings of deep sorrow and regret, which will be echoed in every Valley of the Rite in this jurisdiction, and in many a Valley beyond its bounds, I announce to you the death of our Immediate Past Sovereign Grand Commander, M  $\therefore$  P  $\therefore$ . Brother BENJAMIN ALLEN 33 $^{\circ}$ , at his home in Toronto, Ontario, on 10th April last. He had been in indifferent health for a considerable period, and at the last meeting of Supreme Council expressed the hope that relief from the duties and responsibilities of Sovereign Grand Commander might prove a factor in the restoration of his strength and energies. Unfortunately, however, he contracted a chill which developed into a fatal attack of congestion of the lungs. His funeral took place on the 13th April; and after a short service at his late residence, his remains were borne to the Mount Pleasant Cemetery, where the burial service of Craft Masonry was conducted by the Grand Master, M. W. Bro. F. W. Harcourt, assisted by the officers and members of Ashlar Lodge, Toronto. The large attendance of brethren and business friends bore testimony to the high place held by our late illustrious Brother Allen in their esteem.

Ill  $\therefore$  Bro  $\therefore$  Allen was born at Summer Island, County of Armagh, Ireland, on 3rd December, 1854, and at an early age was apprenticed to the linen trade. In 1872, he went to Toronto and was in the employ of mercantile firms there until 1891, when he engaged in business as a Manufacturers' Agent on his own account, retiring about six years ago.

The Masonic activities of Ill ∴ Bro ∴ Allen were numerous and led him to various offices. Initiated in Ashlar Lodge, Toronto, 27th November, 1883; W. M. in 1888, he became G. M. in 1904. He was made an Honorary P. G. Senior Warden of the Grand Lodge of Ireland in 1905. He became a Royal Arch Mason in St. Paul's Chapter, Toronto, in 1885, First Principal in 1890, and Grand Registrar of Grand Chapter in 1892. Made a Knight Templar in Geoffrey de St. Aldemar Preceptory, Toronto, in 1888, he was presiding Preceptor in 1891 and Grand Constable of the Sovereign Great Priory of Canada in 1894. He entered the Cryptic Rite in 1895.

He received the degrees of the A ∴ & A ∴ S ∴ Rite in 1889-90; was T ∴ P ∴ G ∴ M ∴ in 1892, and M ∴ W ∴ S ∴ in 1895. Admitted to Supreme Council as an Honorary Inspector-General in 1894, he was crowned an Active Member, S ∴ G ∴ I ∴ G ∴ in 1896; and after services in other offices in Supreme Council was elected Sovereign Grand Commander in October, 1913, and held that office until October, 1919. He became a member of the Royal Order of Scotland in 1893, and was Deputy Provincial Grand Master 1903 to 1908.

This is but a brief outline of the official career of our late Illustrious Brother; and no reference to his Masonic activities would be complete without recalling his devoted labours in connection with Masonic matters generally in the City of Toronto. As Treasurer or Trustee in various subordinate bodies to which he belonged, or as one of those charged with the responsibilities of the Masonic Temple, and in other ways, his duties were numerous, continuous and cheerfully performed for many years, and indeed, until a few weeks before his death.

He travelled much throughout Canada in connection with his business and afterwards in his official capacity of Sovereign Grand Commander. This brought him into personal touch with the brethren of the Rite from coast to coast, and made him extensively known throughout the jurisdiction. In no Valley could there be a more welcome visitor.

Those who knew him best testify to his strong individuality—his resolute determination to carry out any plan or pro-

gramme which to his mind was undoubtedly the right course to pursue—and the personal vigor he always displayed in having any task set before him fully and completely discharged. But while possessing these strong characteristics, his amiability of disposition, kindness of heart and other pleasing qualities, with his fine, manly physique and bearing, made him a conspicuously popular man in the community and ensured for him a lasting and enviable place in the memories of his brethren.

To his widow our sincere sympathies are extended.

As a mark of respect to the memory of our departed brother the usual Badge of Mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His Holy keeping.

Given under my hand and seal of the Supreme Council' this 10th day of June, 1920.

Sovereign Grand Commander.
